This challenge tells us to use open source intelligence, and the team section of the website caught my eye, as each team member's images contained the links to their Twitter accounts.

Sagishi Tech team members listed on their website:

- Sherman Kern (CEO): https://twitter.com/kern_sherman
- Neil Cline (Product Manager): <https://twitter.com/NeilCline9>

- Neil Cline (@NeilCline9) [@NeilCline9](https://twitter.com/NeilCline9)

- Britt Bryant (CTO): <https://twitter.com/BrittBryant18>
- Robyn Swanson (Accountant): <https://twitter.com/RobynSwanson96>

Their Twitter account looks like the following.

The image shows four separate Twitter profiles for employees of Sagishi Tech. Each profile has a blue header with the company logo. The users are:

- Sherman Kern**: CEO of Sagishi Tech. Joined March 2022. 4 Following, 5 Followers.
- Neil Cline**: Sagishi Tech Product Manager. Joined March 2022. 4 Following, 7 Followers.
- Britt Bryant**: Sagishi Tech Chief Technology Officer. Joined March 2022. 4 Following, 6 Followers.
- Robyn Swanson**: Sagishi Tech Accountant. Joined March 2022. 5 Following, 7 Followers.

Each profile includes a photo, bio, and a link to their Twitter page.

I've scrolled through their Tweets, but couldn't find anything interesting. So I decided to look at who they are following, (I ignored their followers as anyone on Twitter can follow them)

This screenshot shows the 'Following' tab for each of the four employees. It lists other users they are following, along with 'Follow' buttons.

- Sherman Kern** follows Craig Wallace, Robyn Swanson, Britt Bryant, and Neil Cline.
- Neil Cline** follows Cliff Shackelford, Robyn Swanson, Britt Bryant, and Sherman Kern.
- Britt Bryant** follows Craig Wallace, Neil Cline, Robyn Swanson, and Sherman Kern.
- Robyn Swanson** follows Debby Uselton, Britt Bryant, Neil Cline, and Sherman Kern.

From here, we can see that there are some members of Sagishi Tech that weren't listed on their website. These new employees I found from the original team member's followings list are:

- Craig Wallace (Chief Information Security Officer): <https://twitter.com/CraigWa09526548>
- Cliff Shackelford (Marketing): <https://twitter.com/CliffShackelf01>
- Debby Uselton (Marketing): <https://twitter.com/DebbyUselton>

Their Twitter accounts look like the following.

The image shows three Twitter profiles for marketing staff at Sagishi Tech. Each profile has a blue header with the company logo.

- Craig Wallace**: Sagishi Tech Chief Information Security Officer. Joined March 2022. 10 Following, 11 Followers.
- Cliff Shackelford**: Marketing at Sagishi Tech. Joined March 2022. 6 Following, 9 Followers.
- Debby Uselton**: Marketing at Sagishi Tech. Joined March 2022. 7 Following, 9 Followers.

Each profile includes a photo, bio, and a link to their Twitter page.

And their following list looks like the following.

This screenshot shows the 'Following' tab for each of the three marketing staff members. It lists other users they are following, along with 'Follow' buttons.

- Craig Wallace** follows Claude Castillo, Sidney Jagers, Misty Bookner, Wade Colwater, Debby Uselton, Cliff Shackelford, Neil Cline, Robyn Swanson, and Britt Bryant.

- Debby Uselton** follows Sidney Jagers, Craig Wallace, Misty Bookner, Claude Castillo, Wade Colwater, Cliff Shackelford, Neil Cline, Robyn Swanson, and Britt Bryant.

From here, I found more members of Sagishi Tech, who are:

- Claude Castillo (Marketing): <https://twitter.com/ClaudeCastill18>
- Sidney Jaggers (Marketing): <https://twitter.com/JaggersSidney>
- Misty Booker (Marketing): <https://twitter.com/MistyBooker99>

And their Twitter accounts look like the following,

Their following list doesn't contain any new members of Sagishi Tech, so the full list of Sagishi Tech members are:
